December, already?

It’s very exciting to see this coming together and the progress we’ve made so far. Some members who have provided critical input and guidance are:

Stay Tuned

Meet the Team!

Meet Vivian Naiman and Rakesh Duggal. Vivian Naiman is a Workday Finance functional team member focusing on Financial Accounting for external customers. She also works with the Integrations team to provide Workday training resources. Rakesh Duggal is a Workday Finance functional team member focusing on Financial Accounting for systems, including CaneLink and Epic. Vivian and Rakesh are our experts in this month’s Meet the Team feature and we will discuss the role of their team and their daily work activities.

The Workday Finance Crystal Ball

Last month we talked about expansion plans, and we're excited to talk about the impact of the Workday Finance Crystal Ball on our users. The Workday Finance Crystal Ball is a tool that helps users forecast and plan their financial needs by providing detailed financial insights and predictions. This allows users to make informed decisions regarding budget allocations, cash flow, and expense management. We will discuss the benefits of using the Workday Finance Crystal Ball and how it can help our users make better financial decisions.

New Websites!

We'll talk about the Workday Finance Crystal Ball and how it can help users plan their financial needs. We will discuss the benefits of using the Workday Finance Crystal Ball and how it can help users make better financial decisions. We will also talk about the Workday Finance Crystal Ball and how it can help users plan their financial needs. We will discuss the benefits of using the Workday Finance Crystal Ball and how it can help users make better financial decisions.
