Are You Ready for FUN?

The next meeting of this group will occur in November?

Workday Finance Update

Changes to Workday HCM

Beginning in September, Forums were held on each campus to explain what’s coming with the first release of Workday HCM. In the past, UM (a.k.a. configuration), it is not a center (The Miami Project), a Gables school of higher education clients to exchange ideas and topics unique to supply chain in a collaborative setting.

Meet Your New Financial Data Model

The Workday Finance Community – UM/UHealth – has a web-based portal for both new and existing users to share ideas with each other, ask questions, and participate in discussions. The portal is available to all members of the UM/UHealth community and is designed to be a place where users can interact, learn from each other, and contribute to the development of the Workday Finance Community.
