Now available: New Grants Clinical Trials Monitoring Report

Effective 2023, June 1, a new version of the Workday FIN-GRF-GT-Monitoring Report and the FIN-GRF-OA-Monitoring Transaction Audit Report are available for use in UMIT.

New report provides greater accessibility to users of these reports and enhances their functionality.

What’s required?

- The New Fin-Graf-GT-Monitoring report will run against the financial, expenditures, and budget balances. This report is designed to replace the existing workday FIN-GRA-Grants Clinical Trials Monitoring Report that is currently used.

- Required to view these reports in Workday is the FIN-GRF-OA-Monitoring Transaction Audit Report.

- The new FIN-GRA-Grants Clinical Trials Monitoring Report will be replaced by the FIN-GRF-OA-Monitoring Transaction Audit Report.

Now available: New Report for Supplier Contract Lines by Organization

As of today, a new report for Supplier Contract Lines by Organization is available to be run in Workday.

This report provides greater accessibility to users of these reports and enhances their functionality.

What’s required?

- The new report for Supplier Contract Lines by Organization is available to be run in Workday.

- Required to view these reports in Workday is the FIN-GRF-OA-Monitoring Transaction Audit Report.

- The new FIN-GRA-Grants Clinical Trials Monitoring Report will be replaced by the FIN-GRF-OA-Monitoring Transaction Audit Report.
